## COMMENTS

There is no hub meter. 8 of 16 tires are bald. All the bearings and bushings are worn. The wood deck is coming up due to the cracks. The brakes/air bags seem to be holding air. There are 13 stop ratchets. Overall, the trailer is in poor shape.

The recommended reconditioning and specs were provided by an independent third party. Empire does not own this asset, it is bank owned and sold as is, where is. To inquire about this machine or make a cash offer call (520) 760-6207.
